Entrepreneurship. Financial Literacy. Technology. Arts.

Riviera Beach CRA is proud to share information and accept registrations for our brand new, Winter Camp, Spring Break Camp, Summer Camp, and our Small Business Resource Center. Creativity Station is an exciting adventure-for our residents and especially our children to explore ideas, expand creatively, get inspired, develop entrepreneurial skills, be immersed in the arts, and enhance core skills. These camps and classes are being offered for those children interested in technology and science, those starting a business, those already in business, for parents and children, and all residents.
