MEMORANDUM

TO: Board of Commissioners
FROM: Tony T. Brown, Executive Director
DATE: September 5, 2011
CC: File
SUBJECT: New CRA Website

Background: It was determined that the current CRA website is outdated and its design does not reflect current technology. The CRA commissioned a new redesigned website with the following goals in mind:

- Make the website user friendly and accessible
- Consolidate and organize material in a logical manner
- Showcase the community and the redevelopment projects that are underway or have already occurred

Recommendation: Staff will present the current website design for comment from the Board of Commissioners.
