January 2018

Dear Prospective Volunteer:

We at the Riviera Beach Community Redevelopment Agency, (RBCRA), are participating with the American Red Cross on Saturday, March 10, 2018 for our Home Fire Campaign to install critical Smoke Alarms in homes from Martin Luther King Boulevard down to 1st Street, between Australian Avenue and President Barak Obama Highway. We are extending an invitation to you, your company, and/or your family to join the Home Fire Preparedness Team! We know that fire safety is essential to saving lives, especially for our small children, elderly and disabled residents.

Attached is a volunteer flyer explaining the volunteer roles and positions that will be needed for the event. Additionally, we will need volunteers for managing the registration table and sign-in sheets, food service, and distribution of supplies. We hope to attract 100+ volunteers, who will work in teams with experienced Red Cross volunteers. All supplies will be provided. We will mobilize at 7 am and start the morning with a continental breakfast at 7:30 followed by orientation. Teams will hit the neighborhood at 8:45 am, return for lunch and wind down soon thereafter. We are partnering with the Red Cross, Riviera Beach Fire Department, Riviera Beach Police Department, Riviera Beach CDC, Riviera Beach Resource Center and the Southside Coalition/Concerned Mothers.

Your partnership with this campaign is much needed and we would like to thank you in advance for your consideration. We hope to see you and your team on Saturday, March 10, 2018 making a difference in the community and donating your time for a great cause.

We'll see you then!

Sincerely,

Annetta Jenkins
Director of Neighborhood Services
