

**THE CITY OF RIVIERA BEACH, RIVIERA BEACH CRA, &
THE RIVIERA BEACH CDC
Backyard “Sow & Grow” Garden Application
Home Gardening Program for City of Riviera Beach Residents**

The City of Riviera Beach, Rivera Beach CRA, and the Riviera Beach CDC are calling all gardeners! Healthy, wholesome, and fresh foods are within reach. We are starting a backyard gardening program for all levels of gardeners. This program is FREE-all we ask is for your commitment of time and your green thumb. We will provide everything else.

City residents will be supplied with gardening kits, including seeds, plants, (subject to availability) growing beds, soil, and useful gardening tools. The kits are designed to accommodate gardeners of various experience and interest levels. Since resources are limited, we must make a determination in assigning kit level to each applicant. Applicants are encouraged to reapply if they want help expanding their Backyard Garden.

PROGRAM LEVELS

PLEASE NOTE: GARDENING SPACE NEEDS 6 HOURS OF DIRECT SUNLIGHT

Weekend Gardener-Entry Level

Gardenista-Experienced Gardeners

Urban Master Gardener-Experienced, Committed Gardeners
